This is the general layout of the website.
Most of the links just serve static content. We can use third party services like TrailForks for maps and PayPal for donations.
Updating the site just requires some basic knowledge of web and we can have some easy 'email' based update tokens for common things like advisories.

Mission Statement

BackToDirt Conservancy is a 501(c)(3) non-profit organization dedicated to the preservation and restoration of natural resources in the BackToDirt region. We are committed to providing high-quality trail experiences for all users, while protecting the environment and promoting sustainable recreation. Our mission is to create a network of trails that are accessible, safe, and enjoyable for everyone, while also providing a valuable resource for the community. We believe that trails are an essential part of our environment and that they can help us to connect with nature, improve our health, and build a stronger community. We are proud to be a part of the BackToDirt Conservancy and we are committed to making a positive impact on the world.
